When it comes down to it, there is probably a perfectly good girl or guy within every city or populated area for you to fall in love with. Being close by just makes it much easier. It turns out that the best distance to travel is about 20 minutes (or within 20 miles) for the most success in dating. Traveling Long Distances for First Date

How Far to Travel for a First Date?

Acorn of far travel must be cast upon an acorn that is still attached to a living oak tree. As you cast the spell, the spirit of the oak tree wells into the acorn, which detaches into your hand once the casting is complete. As long as you carry the acorn (and as long as the acorn is not stored in an extradimensional space like a bag of holding), you are considered to be standing under that oak ...
