Anorexia A Stranger In The Family

She saw someone who looked underweight, decided it was anorexia rather than anything else on the planet that could be private because she has friends who suffered from anorexia, so she considers possibly contacting and telling this woman's (whom she doesn't know) employer that the woman has a health problem that could get her fired if she hasn't disclosed any health problem to her employer.

What is my duty to intervene with anorexic stranger ...

Websites that promote eating disorders are on the rise. In this warped online world, anorexia is not a disease but a lifestyle. With users getting younger, and the lengths they go to starve themselves more extreme, experts say the only way to understand this community - and lure them out - is to delve inside it

Secretly starving: inside the virtual world of anorexia
