### Cancer Party

Cancer Party! is the perfect book for families that want to explain what cancer actually is, and applies to mothers, fathers, grandparents, and many types of cancer, including breast cancer, colon cancer, blood cancers such as leukemia, and bone cancers. It aims to empower kids with knowledge, which is proven to help kids through traumatic situations.

### Cancer Party!: Explain Cancer, Chemo, and Radiation to ...

Cancer Party! is a little bit science, a little bit silly, and a lot straightforward. Without being overly emotional, Cancer Party! addresses the way that cells divide, how they work, and what happens when a cell gets confused and turns into cancer. Written and illustrated by a cancer survivor and mom to a six year-old, this book helps families address the physical impact cancer treatment has on a patient and their child, helps kids understand what to expect, and assures them that cancer isn ...

### Cancer Party! A Book to Talk to Kids About Cancer - Mighty ...

It uses a simple explanation (cancer cells are cells that are not supposed to be in your body and are having a "party" ie: replicating). They need to be removed and explains how one typically gets the cancer cells out of ones body. It is well written with quality illustrations.

I went to a "cancer party" and had a great time, even though it was themed with pink. I felt joy and gratitude, catharsis and solidarity. I realized there is a need to party, but I also stand behind my original assertion that we must continue a new dialogue on how to best represent cancer for

those of us affected by it, those touched by it and those that can be spared from it.

October is Breast Cancer Awareness Month, making it an excellent choice for timing for a pink ribbon party. Host a party to raise awareness or to honor a survivor. But there are other dates that merit a pink ribbon party: World Cancer Day February 4 is the day the entire world turns thoughts to how cancer impacts the lives of people around the globe.

Pink is an excellent color theme for a breast cancer-free party. Ask your guests, even any men who are invited, to wear something pink, and pass out pink ribbons for guests to pin on their shoulders. You may even want to have pink clip-in hair extensions available. Make the theme as pink as possible.

I certainly do: I've been diagnosed with breast cancer." People looked surprised, confused, uncomfortable, sad.... But I didn't stop talking, in my pathologically positive way, until the mood lightened. The second party was the brainchild of my oncology nurse, Matt, who asked if I was going to mark the midpoint of my four months of chemotherapy.
