Legacy of colonialism and the economic development ...

The essay reinterprets the British colonial empire in India (the Raj, for short) as a state. Based on that reinterpretation it offers fresh assessments on three issues: how its policies shaped the economy of India, what lessons the postcolonial state drew from history, and the gains and costs of the postcolonial development strategy.

Colonial Legacy and the Refracted State: Africa in ...

Legacies of colonialism: Weak states and economic underdevelopment. The weakness of postcolonial nations was a result of colonialism—which left a political heritage of weak states with limited control over territory and regimes that relied on ethnic divisions, a centralized authority, and patronage systems inherited from colonial rule.

Legacies of colonialism in Africa | International ...

Since the 1990s, the study of colonial legacies has changed its perspective. Earlier, economic historians had taken it for granted that the way colonial governments worked, and the effects that they left behind, had more to do with the aims and capacities of European states than with the regions they ruled over. This assumption no longer holds.

Political And Economic Colonialism Legacy - 948 Words ...

Much of the work on colonialism has been theoretical or anecdotal. In this paper, I close the gap between the literature on development and new growth theory by testing the effect of colonization on subsequent growth and development. In a sample of 63 ex-colonial states from 1961-1990, I find that colonies that were held for longer periods of time than other countries tend to perform better ...
