of conditions that have caused the machine to stop. These stopping conditions require attention.

### **Quick Reference for One-Pocket JetScan Currency Scanners**

JetScan may have processed two or more notes as one. JetScan has identified a note that is different than those it has been processing while using sort mode. This first note of the different denomination is the top note in the lower stacker. Remove all notes from the bottom stacker. Separate the top note from the remaining notes.
