Everyman Philip Roth

Philip Roth takes this title from a book called Everyman written between Chaucer and Shakespeare that he had discovered and greatly admired. After completing the manuscript, he realized that he had never named his protagonist and decided to resurrect this ancient title. The novella opens at the protagonist's funeral in a dilapidated Jewish cemetery in New Jersey.

The critics divide into two camps: those that see Everyman as a cohesive blend of Roth's thematic concerns and those that feel he's just treading the same old ground he covered in *The Dying Animal*, but with much less success. It's a tug of war of expectations, with the supporters of this 27th novel outnumbering the disappointed.
