Fractionation Seduction
Fractionation seduction is a seduction technique used by men that have evolved over the years. It was invented by a Neuron Linguistic Programmer named John Grinder and then further researched and developed by Derek Rake. It is basically a psychological technique that uses the art of persuasion and hypnosis to unravel and unlock the female psyche. Let's shift gears and talk about how Fractionation first got used in seduction. For many years, Fractionation's usage had been limited in hypnotherapy. Interestingly, it's possible to use Fractionation on yourself. In fact, many use the technique to hypnotize themselves.
