Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Honeywell Alarm K4392v2 Manual

function and the type of panic alarms they produce is determined by the control panel's capability and programming. (Check with your installer for the further information regarding these keys.) SOUNDER The sounder is a piezo-electric sounder that pulses for fire alarms and generates a two-tone sound for burglary and audible panic alarms.
