Identity And Violence The Illusion

In his concluding chapter, Amartya Sen neatly summarises how this illusion of singular identity easily serves the agendas of those with violent purposes: “The advocacy of a unique identity for a violent purpose takes the form of separating out one identity for special focus, and it proceeds from there to

from individuals' notions of who they are, and which groups they belong to local, national, religious - which define themselves in opposition to others. Our identification with these groups determines, for example, which side we belong to in a war, and whether we are an object of hatred by others or a member of a privileged caste.
