Idi Amin: The Story of Africa's Icon of Evil by Mark ...

This biography of the Ugandan dictator Idi Amin sifts through the many myths and fictitious claims that have long shaped public understanding of his early life and his later rule as president of Uganda from 1971 to 1979. In so doing, it reaches a more nuanced assessment of the man than previously available.

A review of "Idi Amin" by Mark Leopold

It is unfortunate that the author of tthe "IDI AMIN: Lion of Africa" is writing with personal emotions but he does not provide more critically what made Amin expel the Asians. Many Ugandans and the world have been shadowed from the truth about the Political successes of Amin in Uganda.

Amazon.com: Customer reviews: Idi Amin: Lion of Africa

The western media and intelligence services conducted a well coordinated media campaign against President Idi Amin because he stood in the way of their greed, abuse and exploitation on many fronts, and they have now even managed to turn today's young African youths against someone whom African parents and grand parents held in high esteem as a true African hero back then.
