A tall tackle box seems to work best for jewelry making, especially when you take classes. It's nice to have the ones that have lots of compartments and the stacking shelves because if you're using a jewelry bench, they aren't always that large so you don't what to take up a bunch of room on your table or bench.

Getting Started: Metalsmithing

I (and I guess many others) am researching what tools I should buy a family member for Christmas to help them get started with jewellery making.
