The significance of religion in Hamlet - Academic Journals

King Claudius, as seen in William Shakespeare's Hamlet, is both intelligent and well-spoken, two traits that, put together, complement his manipulative and dangerous nature.In fact though, it is his conscience that makes Claudius such a complex villain. Despite his rise to power seeming to have been carefully planned and executed, he nevertheless encountered certain things that he did not ...

Shakespeare Quarterly on JSTOR

If Hamlet had not delayed his revenge there would have been no play. Many explanations of the delay have been offered in the last four centuries. None is convincing. The interpretation which best fits the evidence best is that Hamlet was suffering from an acute depressive illness, with some obsessional features. He could not make a firm resolve to act. In Shakespeare's time there was no ...
