I recently picked up a 2020 300 XC-W TPI. I have gone through the Owner's manual quite a few times and gotten a decent understanding of the basics I think but there is a lot more info I'd like to have, especially with the electrical systems.. I've done a bunch of searches and asked around on Facebook Groups and KTMtalk but I'm not getting any leads on where to find a Service Manual.

manual on a disk. Take it home and burn a copy then stick it
threw a printer as I want a paper copy out in the shop. I only
want the info for engine teardowns so any of the 250 or 300 two
stroke manuals will do. I believe the one I'm using now for my
2011 300 XC is the manual from a 250 SX.
