It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

### Law Practice Of Evidence In

Evidence law is the branch of law concerned with the rules and methods by which evidence is admitted and used in a legal trial. These rules set out what type of evidence can be admitted for consideration by a judge or jury in a trial. Evidence law also concerns the type of objections that can be raised to certain evidence being admitted, such as hearsay, illegally-obtained evidence, or a privilege that prevents the evidence in question from being admissible at trial.
