Lofrans panther manual - Pneumatisk transport med vakuum

I chose to go for a manual windlass, as I do not like to be dependent on heavy battery equipment and also they are much cheaper and easier to install. I decided to go for the Lofrans Royal , which is pretty much the only manual model that is widely used and still in production.

Anchor Windlass Maintenance (Lofrans Royal) - ahora

Dolphin Dance is equipped with Lofrans Royal manual anchor windlass, which probably dates back to the sunny days, that she spent sailing in the Mediterranean. In the Baltics on the other hand, it is much more common to use the stern anchor, and therefore many boats - especially in Sweden - are also equipped with stern anchor windlasses.
