SN301-8CH-X 8 is another great product from Defender and when it comes to security system and it is perfect for residential as well as commercial buildings. It can support up to 8 cameras at one time which is great, so if your property, family or business grows then you will not have to buy another security system.

Defender SN301-8CH-X Review | SecurityBros

The Defender SN301-8CH is a complete DVR security system that has all the latest features, yet is very easy to use This kit includes an eight channel DVR with built-in hard drive, eight indoor/outdoor night vision cameras, and all accessories needed to start monitoring your property immediately

8CH DVR Security System w/ 500GB HD - Electronics.Woot

"While you may expect these dazzling new devices to arrive with hefty price tags, the \$450 Defender 4K Wired Security System proves that may not be the case." "This is a fantastic value package for a four-camera 4K system with 1TB DVR. Just add a TV or monitor, and you're all set."

Defender | Defender Security Cameras

The Defender SN301-8CH like the average security camera system that sells to the general public averages in resolution around 420 TV lines which is barely enough to clearly identify anybody over 10 ft. Therefore if you ever catch a criminal on camera beyond that range and you want to press charges, I found it useless to use that in court.
