Nietzsche And Zen Self Overcoming Without A Self

Ironically, Nietzsche's prescription for self-overcoming allures to many parallels with Buddhist philosophy. Buddhism advocates for transcendence beyond the condition of society, maya, and creating an individual path for oneself. This "path" reflects the famous eight-fold path; reflecting greater awareness and compassion.

Nihilism and Self-Overcoming: Interpreting Nietzsche and ...

Their self-overcoming is therefore a self-overcoming without a self. As far as Zen is concerned, this may be obvious: that idea of non self (anatman) is crucial to all Buddhist traditions. But also for Nietzsche, what we call a self is ultimately a fiction." (page xxviii) I might point out that Buddhism emerged out of Hinduism and anatman is originally a Hindu concept.

Self-Overcoming. Nietzsche also believed in a hierarchal and ordered Cosmos. This hierarchal and ordered Cosmos is the result of what biology and Darwinian science had concluded: Life situates itself on a hierarchy that is sorted out to sustain life and develop life.

Nietzsche: On Self-Overcoming - Hesiod's Corner

Überwinden means to overcome. Mensch means man, or human. So 'Self-overcoming Human' seems to be the most accurate translation of Übermensch. Nietzsche used the overman as a personification of potential eco-centric genius, demonstrating that Truth moves, and moving, demolishes thrones and altars. Indeed, self-overcoming is the life-task ...
