3 The Photobook A History

The third volume in an authoritative and comprehensive series, The Photobook: A History volume III provides a unique perspective on the story of contemporary photography through the genre of the photobook.

The Photobook: A History Volume III: Martin Parr, Gerry ...

The Photobook: A History offers an engrossing survey of this art form, beginning with early experiments in photography in mid-19th-century England and ending with raucous Japanese photo-diaries of the 1990s. The scope of this handsomely designed book the first of two volumes is so broad that only a few pages of each photobook could be illustrated, and some of the 750 color and black-and-white reproductions are quite small.
