PUPPY INTENSIVE CARE : a BREEDER'S GUIDE TO CARE OF ...

Premature puppies need intensive care during their first few weeks of life to ensure a high survival rate. They are more prone to health issues than normal whelps. The most obvious health concern is the lack of nutrients and because they are weaker, they tend to eat less, entering a vicious circle.

Premature Puppies & Litters — Health, Care, Preterm ...

Converted coolers that didn't allow us to see our sick babies. Uh no. Intensive care units that were spectacular but not portable. After reviewing all the options, talking with lots of breeders who have tried them all... we chose to bring in an innovative intensive care unit to raise our 2020 litter with. Wow, was it the right choice!

The Annie Box Portable Intensive Care Unit

Puppy socialization is vitally important. Creativity and critical timing are key to puppies becoming confident, well-mannered, and cooperative adult dogs.
