Portfolio Assessment Rubric: Printable Evaluation Tools ...

A rubric is an assessment tool used to evaluate a range of student performance across several different categories or criteria. For each category or criterion, a rubric defines the specific attributes that will be used to score or judge the student's performance and to differentiate between different levels of performance. Rubrics take time to develop since one has to: a) identify the criteria or categories of performance, b) determine how many levels of performance will be characterized ...
