Setting National Priorities (April 1971 edition) | Open ...

The theme, "Setting National Priorities," which was chosen for the 1987 SRA Annual Meeting, reflects the concern that in dealing with individual kinds of risks, society may be more concerned with the trees than the forest. It is surprising how little attention is being given to the holistic aspects of risk.

Priority-setting for national health policies, strategies and plans
Priority-setting determines the strategic directions of the national health plan. Led by citizens who are the principals and decision-makers, priority-setting is a shared responsibility between the ministry of health (MoH) and the entire health stakeholder community.
