It is often advisable to keep the individual values of students private. However, in some contexts, teachers and students may be comfortable talking about student values as a group. One variation of prioritization is an 'auction'. Have students prioritize their values as above, and then conduct the auction for values.

photo source: Wikimedia Commons The Löwenmensch figurine is the oldest known piece of figurative art in the world. It is an ivory sculpture of a lion headed human that is between 35,000 – 40,000 years old. The sculpture was first discovered in 1939 by geologist Otto Völzing at the Hohlenstein-Stadel cave, but the start of World War II lead to cave's research being shelved.
