...

In The Power of Promises, a distinguished group of scholars, representing many disciplines, discuss the treaties' legacies. In North America, where treaties have been employed hundreds of times to define relations between indigenous and colonial societies, many such pacts have continuing legal force, and many have been the focus of recent, high-stakes legal contests.

The interesting thing about a promise is the power it has to change us long before any of the promise is even realized. Because a promise gives something to look forward to, to hope for, to anticipate, it actually holds great power in the present without even being realized until much later.

"POWER OF PROMISES" - by Rev. Dennis Marquardt

The Power of Promises shows that Indian treaties have implications for important aspects of human history and contemporary existence, including struggles for political and cultural power, law's effect on people's self-conceptions, the functions of stories about the past, and the process of defining national and ethnic identities.

Emil and Kathleen Sick Lecture-Book Series in Western ...

Federal Indian policy establishes the relationship between the United States Government and the Indian Tribes within its borders. The Constitution gives the federal government primary responsibility for dealing with tribes. Some scholars divide the federal policy toward Indians in six phases: coexistence (1789-1828), removal and reservations (1829-1886), assimilation (1887-1932 ...
