US stocks push higher as weekly jobless claims lower than forecast; trade deficit widens

Power in South Africa changed hands from the Afrikaner elite to an African nationalist elite, which has not had positive effects on the economy.

How South Africa's elites are stunting the economy and democracy

Wanting a union and securing a union are two very different things. That's because there are enduring obstacles to unionization that make it incredibly difficult for workers to unionize.

The advantages of unionization are obvious, so why don't more workers join unions?
