Tobruk Peter Fitzsimons

Peter Fitzsimons can tell a story, and the Siege of Tobruk is an important part of our history, and thus a great story to tell. Unfortunately for me, all his meticulous research and timeline syncing was undone by the "ripper beauty bonzer bottler" colloquialisms that drowned out the story he was telling.

TOBRUK by Peter Fitzsimons - Australian History - Military ...

While Peter Fitzsimons is a celebrated historian, his popularity stems from his fantastic storytelling. Tobruk is written in a narrative style, putting the reader next to men such as General Leslie Morshead as he decides the fate of his men, next to men such as Jack Harris, as he stands in the blood of an injured mate.
