Currently Midwest, under the Ultima name, offers 80-, 96-, 100-, 113-, 120-, and 127-inch engine configurations. As we go to press, it is working on a 140-inch race engine to be released in the spring, rated at 170 hp and 180 lb-ft of torque using pump gas. We'll get our greasy hands all over one and share the results.

Midwest Ultima 127 Engine Review | Hot Bike

Ultima is now offering the new " El Bruto" series engines which are designed to provide our customers with a USA built High Performance engine that was priced to be the best value of any engines now on the market. Midwest's commitment engineering excellence and competitive pricing brought El Bruto to life with a completely new design set of castings emphasizing performance, reliability, and value.
