Soon, the hobby that had turned into a part-time venture to help pay off student loans became the mistress, begging from Keating 14-, 16-hour days seven days a week. After teaching in the spring of 2009, the Ph.D. candidate, who'd spent a decade in graduate school at Notre Dame, stepped out of academia.

Ultimately, one can only attain to such a perspective (see: the series introduction for context) by invoking both the contrast and the continuity of natural right with natural law. The latter notion is generally misunderstood. It has a double historical origin. First, it can be mainly located in the works of Philo Judaeus as a coming together of Hebrew notions of the cosmos as subject to an ...
